Total square feet to be Constructed/Remodeled Sq. Ft.	Value of Construction is to include the construction cost of all work performed under this permit application. Total Construction Value: \$

OWNERS' CERTIFICATE

By signing, I agree that the information contained in this application and other supporting documentation provided is, to the best of my knowledge and belief, true and correct. Further, I hereby agree that any construction commenced at the address indicated above, by myself or by my agent, shall be in compliance with the specifications given hereto and all City of Angola, Indiana, Code of Ordinances. I also understand that any violation of said ordinances may lead to penalties including but not limited to stop work orders, revocation of building permits, and other penalties as prescribed in Section 10.99.

I understand that a certificate of occupancy and /or a temporary certificate of occupancy is required before the building may be occupied.

If construction is not started within one-year, or the construction is not completed within one-year, the permit is null and void and a new permit shall be obtained.
