

Cahoots and the Downtown Angola Coalition present:

Dear Artist/Vendor,

The Art is Art Festival is an opportunity for all artists (and those who don't consider themselves artists) to display their art in Angola, IN. This year we've added antique dealers to the mix.

Please note that this year there is NO FEE for any artists displaying or vending during the festival. Set up time will be between 10-11am on Saturday, July 15. Any food related items are subject to all local, state, and federal laws. Submission of this application implies that you/your business have the proper permits and licenses. Proper permits/licenses must be able to be produced on demand.

**GUIDELINES:**

-The sidewalk in front of a business in downtown Angola shall be for that business's use and that business shall have first choice for display. Artists looking to display in front of a business should communicate and arrange that with the particular business.

-No artist may set up on the downtown's center monument or the ground on which it stands--also known as the mound.

-All artists/vendors are responsible for providing their own tables, chairs, tents, and blankets, etc. and for their own property. The festival and its organizers are not responsible for lost/stolen property.

-Displays should be family friendly.

-There must be 5 ft of space for pedestrian passage.

-Organizers of this even have the right to decline registration and participation to those who violate these guidelines.

**ITINERARY:**

Saturday, July 15th:

-9-10am: Downtown Business display set-up only

-10-11am: Artists can set up their displays using the above guidelines.

-11am- Festival begins

-6pm - Festival vending ends. Live music continues on the Public Square. Other activities continue at Cahoots.

Sign to confirm that you've read and understand the above guidelines
