Discussion was held regarding the request by Jeff Klink to place a gravel driveway through approximately 90 feet of City of Angola right-of-way at the end of Beverly Court to access his property. Mr. Klink would like to run a driveway to his barn on the property and would need to connect through the row-of-way to access Beverly Court. Mr. Wise stated that he was willing to allow the driveway to run through his property. Discussion followed. Member Martin said that the board had a similar request on Thomas Drive and allowed the property owner to place a driveway within the right-of-way as long as it was a hard surface.
