### **IC 36-8-17-8**

#### **Inspection program; reports**

**(b) The fire department serving an area that includes a city shall inspect every place and public way within the jurisdiction of the city, except the interiors of private dwellings, for compliance with the fire safety laws. Upon the request of an owner or a primary lessee who resides in a private dwelling, the fire department may inspect the interior of the private dwelling to determine compliance with IC 22-11-18-3.5. Except as otherwise provided in the rules adopted by the commission, the fire chief of the fire department shall specify the schedule under which places and public ways are inspected and may exclude a class of places or public ways from inspection under this section, if the fire chief determines that the public interest will be served without inspection. The fire department shall maintain a written report for each inspection. The fire department shall submit monthly reports to the division, on forms prescribed by the division, containing the following information:**

- (1) The total number of inspections made.**
- (2) The total number of defects found, classified as required by the office.**
- (3) The total number of orders issued for correction of each class of defect.**
- (4) The total number of orders complied with.**
