2017

Encourage City Engineer/INDOT ERC and City Human Resources Manager to attend Title VI training opportunities.

The City of Angola's Title VI Plan will be communicated to each City Department Head at the City of Angola weekly department head meeting and the weekly department head meetings will be used to disseminate Title VI information and training.

The Title VI Complaint Form will be re-published on the City's website.
Note: We thought this was published with the Plan on 5/16/16 but we don't find it now. The City has had issues with the website and the form may have been erroneously deleted.

Review all City of Angola Requests for Proposals, Bid solicitations, Contracts, etc., for verification that Title VI language was included in each one.

Select and initiate deployment of "Language Identification Flashcards" and "I Speak Flashcards" to be utilized at all points of public contact in all City Departments.

Investigate selecting and using the same language interpretation service for all Departments. For example, a service such as is available at <http://TranslationPerfect.com/>

Review all public meeting notices to include that special needs assistance may be available with the proper advance notice to the City of Angola.

Develop strategies to seek out Minority members to participate in public meetings and events and to serve on Boards and Commissions when vacancies occur.

Develop annual reporting process for the Department Heads.
