HELP US BRING COMMUNITY
AND THE HISTORY OF THE
AUTOMOBILE TOGETHER FOR A
SPECIAL EVENING.

BECOME A SPONSOR.

Over the past 7 years we've created a unique community experience by highway traffic through the heart of Angola and bringing hundreds of cars to its historic downtown. To continue to produce events like this, we need the help of members of the community. Volunteers and staff park, register and assist patrons and attendees. County and City safety personnel help guide, train, and direct traffic and parking. We need your help to not only provide quality entertainment and promotion, but to support those helping to provide a functional, safe, and fun environment. We'll place the logo you provide and/or your organization's name on advertising for the event as well as banners on the day of the event to show your support of this community event.
