

City of Angola SCULPTURES ANGOLA PROGRAM

Sponsorship Form

Sculptures Angola is part of an effort to help support the growth of cultural community development in Angola and Steuben County by intentional and strategic programming and building a network of artists and creative partnerships. That effort has included the Women and Girls Creative Entrepreneur Workshop and Driven by Data.

There are currently 2 times during the year that sculptures will be installed June and October.

The sculpture program enhances the vibrancy, beauty and quality of place of downtown Angola and Steuben County.
