## BE A SPONSOR.

Over the years Cruise to the Monument has become a unique community experience by stopping thru traffic into the heart of Angola and bringing hundreds of cars in to our historic downtown. To continue to host events like this, we need the help of members of the community. Volunteers and staff help park, register and assist attendees. County and City safety personnel help guide, train, and direct traffic and parking. We need your assistance to not only provide quality entertainment and promotion, but to support those helping to provide a functional, safe, and fun environment. Your sponsorship will help us bring community together. We'll place your logo on advertising for the event, to show your support of this community event.

In order to have your logo on a banner at the Cruise-In please complete and return this sponsorship form by Friday, August 12, 2022.
