BRUSH AND YARD WASTE COLLECTION
Update to Collection Schedule and Guidelines

When:

- Collection begins the first Monday of the month, April – October.
- One pass through the city will be made.
- Crews will start in the northeast quadrant of the city and work clockwise.
- Brush must be at the curb by 7:00 AM on the first Monday of the month.

Guidelines:

- Stack separately brush from yard/garden waste.
- Brush must be stacked in one direction along the curb.
- Piles must be no more than 4-ft wide, 4-ft high and 8-ft long.
- Do not stack brush close to or behind vehicles, mailboxes, utility poles/boxes, hydrants, signs, etc.
- We do not collect grass clippings, rocks, dirt, lumber, firewood, household trash or foreign objects.
- If a contractor is hired, the contractor is responsible for removing brush and yard waste.

Excessive brush and grass clippings may be disposed of at Northeast Indiana Solid Waste Management District compost site. Please call 260.587.3063 with any questions.

We will collect brush caused by storm damage as needed.

Please contact the street department at 260.665.7656 with any questions.
